

Year 3/4 Pick and Mix Homework!

Earn 10 points before Christmas! Return each task as you complete it. You can even bring a photo of you completing a task!

3 Points

Write a diary entry for your day as a Mayan priest. Remember, Mayan priests had lots of important jobs such as watching over Pok-a-Tok matches, making important decisions for the community and of course carrying out sacrifices!

2 Points

Interview a Mayan! Pretend you have met a Mayan villager. Write an interview script including the questions you would ask and how you think they might answer. You might even be able to persuade someone at home to act it out with you!

1 Point

Design and describe your own Mayan sacrifice! Try not to be too gruesome!

2 Points

Create a map of your own Mayan village. Think about all of the key landmarks which you know were included in Mayan villages as well as the surrounding forests.

3 Points

Create your own Mayan Fact File. You could even include some new facts. Could you use the internet or even visit the library to try and find out some new facts?

2 Points

Create a leaflet to explain the rules of Pok-a-Tok! Try to encourage others to stay fit and healthy by playing the game!

1 Point

Design a Mayan temple. Draw what it would look like on the outside and include a floor plan to explain what each room is used for.

2 Points

Create a house advert to sell a home within the Mayan community. Remember all of the advantages of living within the community such as the warm weather, schools and hospitals.

1 Point

Design your own Mayan God. Think about the appearance of your God and how each body part gives your God special powers.
