In this week's planning the children will be recapping previous learning from earlier this year. The idea behind this is to consolidate children's understanding of key concepts to help prepare them for next year. We are aware that some children may already have a sound understanding of some of these areas of learning, while others will still need to practise them. For any children who are very confident in working through the White Rose worksheet, I have attached some additional activities at the bottom of the planning to further deepen children's understanding.

Monday 01.06.2020

Add and subtract 2-digit and 3-digit numbers – not crossing 10 or 100

1 Work out the additions.

a)

+

Hundreds	Tens	Ones

	H	T	O
	2	5	1
+		3	2

2 Work out these subtractions.

a)

H	T	O

3 Complete the additions.

a) £69 + £220 = £

b) 314 + 42 + 23 =

- 4 a) Eva uses a number line to work out $312 + 37$

What has Eva done? Talk to a partner.

- b) Use the number line to work out $425 + 63$

- c) Use the number line to work out $774 - 62$

- 5 Esther has a piece of wood 255 cm long.

She cuts it into 2 pieces.

One piece is 34 cm long.

How long is the other piece?

- 6 Filip wants to buy these two items.

He has £200

Does he have enough money? _____

How do you know? Talk to a partner.

- 7 Use the digit cards to make each calculation correct.

		H	T	O

		H	T	O
	+			
		9	8	9

		H	T	O
	-			
		1	6	1

		H	T	O
	-			
		6	2	2

Rank by difficulty

$$49 + 48$$

$$56 + 42$$

$$73 + 49$$

There is no definitive answer it depends on the child's reasoning skill. Some might say that $56 + 42$ is the easiest as they are not crossing into the tens column. Other children might say $73 + 49$ is easiest they might say that if they add a 1 from 73 to the 79 to make 80 and then add the 72 to make a 152. It is the reasoning and explanation by the children that is important.

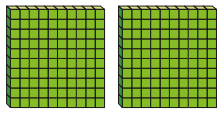

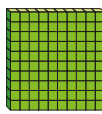

Tuesday 02.06.2020

- 7 Mo uses a number line to work out an addition.

What addition has Mo worked out?

$$\boxed{} + \boxed{} = \boxed{}$$

- 8 Use the number lines to complete the additions.
