### **English - Planning and Ideas**

## Week Commencing: 13<sup>TH</sup> July 2020

#### Year Groups: 5

Hi Year 5,

As we are nearing the end of the school year, English is going to different this week once again. This week, your focus is 'Looking Forward to Year 6'. You can complete these activities over several days and there is not a set day to complete each activity.

#### Activity I - Main Activity for the Week

Letter to your (new) teacher

This first activity is quite straightforward. You are going to write a letter to your new teacher. Whether you have the same or a new teacher, write a detailed letter to them telling them the following information:

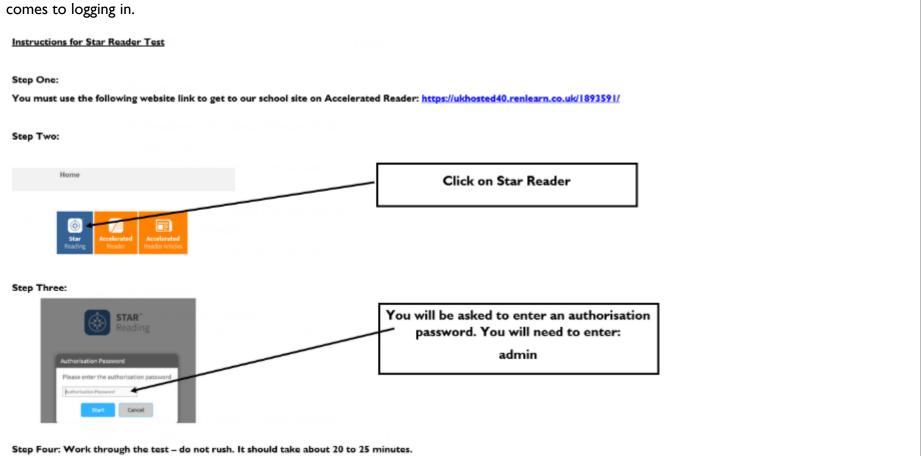

- -What you are looking forward to about next year
- -What you are good at
- -What you think you need to improve on or would like to practise
- -What you are looking forward to about being in Year 6
- -What you are worried about/not looking forward to about being in Year 6 and coming back to school

If you are struggling with how to structure your letter, you can use the bullet points above as a guide to structure your work.

Please send your finished letters to: oxcloseyear5@durhamlearning.net and I will pass them onto your new teacher.

### **Activity 2**

Complete your Star Reader test on Accelerated Reader. It would be very useful if you could complete this as it is this means you will be able to choose a new book quickly when we come back to school. Here are some instructions below. Use your normal log in details when it comes to logging in.

# Activity 3 – Advice for the future Year 5s

What advice would you give to the new Year 5? You can use this template below if you wish.
