English Planning and Ideas

Week commencing: 13th July 2020

Year Group: Reception

It is your final week of home learning for reception.

This week, we would like you do some extra reading. Follow the link to access the Oxford Owl website https://www.oxfordowl.co.uk/for-home/find-a-book/library-page. There, you can read free e-books with your child.

Activities for the week

- Select some books to share online. Select some your child can read themselves and also some to read to your child if you wish. Talk to your child about the stories after they have read them to check their understanding.
- Select a favourite book to read again.
- Draw your favourite part of the story and write a sentence to go with it.
- Complete the Summer Goals sheet to think about what you would like to achieve while you are at home over the summer. It would be lovely to see how many of your goals you manged to meet.
- Continue to practise Action Words and your phonics activities. Look for Action Words in books you are reading and read print all around you.
- I have uploaded a story called The Cautious Caterpillar and some talk cards to discuss with your child after you have shared the story.
