ories of Y3-By Charley Lee

I was excited when I was going cause I got to sit on desks. I didn't get pins and needles on the of my feet. Because in Y(ear) cross our legs so I got pain on of my feet. A few things r is. Making ice cream (sadly it didn't get to eat it). And we wrote in clay. Last thing I remember insects. I'm super excited to move!

Memories from Year 3 – Molly Dann

One of my favourite memories from year 3 was watching the school pantomime, Peter Pan, it was so funny and I loved it and I also loved working with Sam Jackson in the school garden.

My other favourite memories of year 3 are –
Looking at maps for interesting local places.
Playing hide and seek at break times with my friends.
I loved Viking day in the school, we had a real Viking come to visit us and we asked lots of questions.
My Christmas carol service at the church.
I really enjoyed year 3, thank you
