

Goodbye and Good Luck
From Year 6

Good Luck!

Good luck in your new school everyone. You will all be amazing!

I miss you all and hope to see you soon!

From Sophie x

My special memory!

My favourite memory is from when we visited care homes. We sang to the elderly and did activities with them and it always put a big smile on their face.

Sophie P

If you are not going to my school [Whitworth] then I wish you the best of luck. I will miss everyone and I know you will be the best. If you are going to my school then I will see you there.

From Kyle Sowden

My best memory will have to be when we won our league against the year sixes in football. I'll explain, year five [us] and the year six [at the time] played football on the field and we had a league and we kept winning. For the last game we played Alfie S made a paper trophy which was quite funny. As the game went on and after some good saves from me and Leo [we take turns] we managed to pull off a win and it was just the best.

To my friends and teachers at Ox Close. Thank you for making my time at primary school so enjoyable. I hope you have a good time at which ever secondary school you are going to.

From Sam Kyle

My memories of year 6 are getting the part in the Christmas performance, rehearsing it and performing it in front of my parents.

I also enjoyed when my best friend moved into my class
I also have enjoyed being in Mrs. Payne's class as she tells jokes and makes us all laugh.

Megan Murphy

First of all I would like to thank the teachers and staff for making it a warm and friendly environment.

They all work hard at work and home to make sure we are well taught. I would like to thank my friends for being there through the years and I will miss them when they move to different schools.

I wish them the best of luck and hope to stay in contact with them.

As some of my friends who are still at Ox Close I will miss them and hopefully get to see them in my new school in years to come.

I'll remember Ox Close for all the trips we went on and all of the challenges set for us because I like competing.

As long as I can remember I have always wanted to be a maths teacher but having had Miss Todd in years 3 and 4 I want to become a teacher just like Miss Todd.

Maybe one day I will get back to Ox Close as a teacher so watch out Mr Harrison I might be after your job in years to come LOL **Megan Murphy**

Good luck everyone on your new journey. Enjoy your new school, you will be brilliant!

Millie Brant

I have had some good memories at Ox Close. As well as making lots of new friends. I have learnt lots of new things. One of my happy memories was taking part in school plays/ assemblies/ concerts. Although i was very nervous at first (Year 1) watching other people boosted my confidence and by Year 4 I started joining in a lot more. I found them really fun and enjoyed Parents and Grandparents coming to watch us, it made me feel proud. It was exciting to dress up and take on the role.

Good Luck to ALL of year 6! I have had a great time at Ox Close and have made some really good lifelong friends! I have missed you all during this pandemic, even my teachers! But not my work... (although i have been busy working at home).

I am looking forward to our new adventure at Whitworth Park and hope to see lots of you there. Those who are going to different schools I will miss you and wish you well in your new schools. I have missed you all and already think you are all amazing!

Good Luck from **Lewis Turnbull.**

Goodbye and good luck to everyone!
I hope you all enjoy your new schools
and your future. Have fun and
always be the best you can be.
