

## **Maths Planning**

**W/B 21.9.20**

### **Year 6**

### **Home Schooling**

This week we will be covering the following learning objectives in the classroom:

- To add whole numbers with more than four digits.
- To subtract whole numbers with more than four digits.
- To use inverse operations of addition and subtraction.
- To solve multi step addition and subtraction problems.

Please use the following link to White Rose Maths and use the online videos for Year 6 Week 2
