## Maths Planning

## Year 5

## Home schooling

This week we will be covering the following learning objectives in the classroom:
-finding multiples of numbers
-finding factors of numbers
-finding common factors
-learning what prime numbers are
-learning what squared numbers are and investigating them
Please use the following link to White Rose Maths and use the online videos for Year 5 Week 8
https://whiterosemaths.com/homelearning/vear-5/week-8-number-multiplication-division/
The accompanying worksheets have been uploaded onto our website.

Thank you

Year 5 Team
