

## Pick and Mix Homework - How it works...

Below is a variety of activities based around Christmas! You have all worked so very hard this term and we would like you to have a lovely learning week this week. Complete as many tasks as you like but you must collect at least 10 Candy Canes!

Draw or paint a picture of a Christmas / Winter Scene of your choice. Think about the detail you are drawing or painting in. You never know, this could become a Christmas Card cover one day!

### **The Empty Box**

Do you think you have a better idea for a Christmas activity you could do? Complete your idea and explain what you did.

Create a job advert for a Christmas Elf. Think of the qualities needed to be a successful Elf. You might like to set the applicants a task - what would it be?

Do some Christmas cookery! You could research some delicious Christmas recipes on the internet and choose one you would like to make. Take photos of you making it, your final product and you could always get someone at home to taste test your cooking!

Create a game that you might play on the playground. The game must be themed around Christmas. You could use a game that you already play and adapt it to suit the Christmas theme. Name your game and write the instructions for how to play it.

Imagine yourself as Father Christmas. If you were him what new rules would you place on the elves? Write a speech to deliver to the elves explaining their new rules.
