

**Task 1** - Find and label the South American countries listed on the next page. Continue your research to find and label their matching capital cities:

Country	Capital City
Ecuador	
Colombia	
Argentina	
Chile	
Peru	
Brazil	
Bolivia	
Venezuela	

**Task 2** - Could you now find out some key facts about each of these countries using your own research? For example, what is the main language spoken? What is the name of their currency? Do they have a national dish? Use this information to complete the table below for 4 countries of your choice from South America:

Country	Population (Approx.)	Main Language	Currency	National Dish
