

Maths Planning and Ideas

Week Commencing: 12th April 2021

Year Group: 2

	Monday	Tuesday	Wednesday	Thursday	Friday
Area of Learning	LC: Can you recognise and find one half, one quarter and one third of a number and shape?	LC: Can you find three quarters?	LC: Can you solve problems with fractions?		
Activity	<p>Starter: Chant 2x table. Play 2x table bingo.</p> <p>Main:</p> <ul style="list-style-type: none"> Recap in finding one half, one quarter and one third of a shape. Look at finding these fractions of a number. Model and allow children to have a go. Reasoning task to discuss how to find the whole if they are given one part. <p>Independent: Children to complete sheet, finding fractions of shapes and numbers.</p> <p>Extension activity Investigate which numbers you can find one quarter and one third of.....4,6,12,24.</p>	<p>Starter: Count on and back in 2s from any even number to 30. Must / might / can't Use smartnotebook for children to make statements about the number.</p> <p>Main:</p> <ul style="list-style-type: none"> Recap on finding one quarter. Look at how you could find three quarters of a shape. Model finding one quarter and then three quarters of a number, using a bar model. Reasoning – explain why the answer to finding three quarters is incorrect. <p>Independent:</p>	<p>Starter: Chant 2x table Show missing number calculations and children to show missing number on number fans.</p> <p>Main:</p> <ul style="list-style-type: none"> Recap reading the fractions one half, one quarter and one third. Introduce using these fractions to solve problems eg: find one quarter AND this is one quarter – how many in the whole? <p>Independent: Children to complete sheet solving problems involving fractions.</p> <p>Extension activity</p>		

	<p>Live lessons will be at 10:55am on your class teams channel. If you cannot access the live lesson, please follow the White Rose link to the video tutorial.</p> <p>https://vimeo.com/521323423</p>	<p>Children to complete sheet finding three quarters of a number.</p> <p>Extension activity</p> <p>Live lessons will be at 10:55am on your class teams channel.
