

Science and the Wider Curriculum - Planning and Ideas

Week Commencing: Monday 17th May 2021

Year Groups: Years 3 and 4

	Monday	Tuesday	Wednesday	Thursday	Friday
Area of Learning	Subject: RE L.C Can you design your own Mandala?	Subject: History L.C Can you write your letter to a loved one?	Subject: Art L.C Can you complete your softie?	Subject: Science L.C Can you identify electrical items in the home?	Subject: PE Activities
Activity	<p>Last week in RE, we looked at different symbols of the Hindu faith.</p> <p>This week we are going to be looking at a different use of symbols the Hindus use – these are called mandalas.</p> <p>Hindus use mandalas to express themselves as an individual. They use different colours and shapes which symbolise different parts of their personality.</p> <p>Follow through the powerpoint which explains more about mandalas and how to create your own.</p> <p><u>Your task today :</u></p> <p>Create your own mandala using colours and shapes that</p>	<p>This week we are going to use our imagination to imagine ourselves in the trenches of WWI and in the midst of the Battle of the Somme.</p> <p>Look at the different images in the powerpoint uploaded on to the Virtual Classroom. This will help you remember all of the different things we have learned over the last few weeks.</p> <p><u>Your task today:</u></p> <p>You are going to be writing your letter to a loved one who is at home while you are in France.</p>	<p>This week we will be continuing your work to make your softie fruit or vegetable.</p> <p>Follow the powerpoint uploaded on the Virtual Classroom which recaps last week's work and explains your next steps.</p> <p><u>Your task today:</u></p> <p>Follow your instructions to complete your softie fruit or vegetable.</p>	<p><u>Your task today:</u></p> <p>Complete the Assessment worksheet uploaded on to the Virtual Classroom.</p> <p>This is your chance to show us how much you have learned about Electricity this half term.</p> <p>You can mark the worksheet yourself or you can upload a photo of this to your SeeSaw account.</p>	<p>We have been working really hard in school, learning the rules of Rounders.</p> <p>It is difficult to play rounders if you are at home – you need two teams of players.</p> <p>However, you can always keep practising the skills required to play the game.</p> <p>Can you create some activities at home to practise these skills:-</p> <ul style="list-style-type: none"> • Throwing with aim • Catching from different directions • Sprinting <p>You can then explain your activities when you return to school which will help your friends to get better at playing roun</p>

	represent different parts of your personality.	<p>Try to include all of the different things we have learned about – life in the trenches, why you are fighting in the war etc.</p> <p>You could also ask your loved one a question and tell them the things you are missing from home.</p>
