Instructions

You **may not** use a calculator to answer any questions in this test.

Questions and answers

You have **30 minutes** to complete this test.

Work as quickly and as carefully as you can.

Put your answer in the box for each question.

For questions expressed as fractions, you should give your answers as fractions.

If you cannot do one of the questions, **go on to the next one**.
You can come back to it later if you have time.

All questions are worth 1 mark each.

If you finish early, go back and check your work.
